

State of Origin is back in 2011 with the Blues and Maroons doing battle once again.

To mark the occasion Sekem is proud to unveil an entirely new range of scarves and beanies. The Cropped Jacquard Scarf offers 2-for-1 value with alternative designs on each side. The Polo Stripe Scarf provides a cheaper price point and more conventional scarf design, in Sekem's trademark tight-gauge knit. The Quarter Stripe Beanie offers something unique to the most passionate State of Origin supporters.
